Maya Erskine in "Mr. and Mrs. Smith"

Keeping up with the Smiths: Glover, Erskine front new series 'Mr. & Mrs. Smith'

There's no need to relive the same old entertainment this Groundhog Day, because Prime has a brand new offering (without any time loops involved). "Mr. & Mrs. Smith," an action comedy series based on the plot of the original 1941 film, brings a new twist to the classic tale of espionage and high-stakes hijinks. All eight episodes of the series' debut season release Friday, Feb. 2, on Prime Video.

While the titular, married Smiths are likely to conjure the image of former real-life couple Brad Pitt and Angelina Jolie, both of whom starred in the 2005 film of the same name, the "Mr. & Mrs. Smith" concept is, in fact, a much older production, one directed by famed filmmaker and so-called "Master of Suspense," Alfred Hitchcock. The director — then not yet known for his 1960 masterpiece "Psycho" nor his other many memorable films, which include "The Birds" (1963), "Rear Window" (1954) and "Vertigo" (1958) — became very well known for his gripping thriller style, but he also had a penchant for comedy, as was evident in several of his films, such as 1938's "The Lady Vanishes" and, yes, the 1941 spy comedy "Mr. & Mrs. Smith," led by Carole Lombard ("My Man Godfrey," 1936) and Robert Montgomery ("Lady in the Lake," 1946).

Since Hitchcock's premiere of the now-classic tale, several other takes on the cat-and-mouse spy game have been born. This newest series iteration of "Mr. & Mrs. Smith" stars the multi-talented rapper, writer, actor and producer Donald Glover ("Atlanta") as a suave new spy who must assume the identity of "John Smith," a standard, unassuming, run-of-the-mill husband to his wife, "Jane," also a new hire by the same spy agency, played by three-time Emmy nominee Maya Erskine ("PEN15").

First announced in February 2021, the eight-episode series was originally designed to include "Fleabag's" Phoebe Waller-Bridge as the titular missus. But, due to some conflicts on the creative side, Waller-Bridge stepped away from the series, and Prime's new series was born with Erskine as co-pilot.

Glover, meanwhile, who signed an exclusive deal with Amazon in 2021, takes his usual stance with respect to the series and has become involved both on camera and behind it. In addition to starring as the mysterious John Smith, Glover also co-created the series with "Atlanta" and "Fargo" writer Francesca Sloane.

Alongside Glover and Erskine, Paul Dano ("Little Miss Sunshine," 2006), John Turturro ("Barton Fink," 1991) and Michaela Coel ("I May Destroy You") are listed among the show's big names as well. Dontae Hawkins ("Wu-Tang: An American Saga"), Alex Huynh ("The Greatest Beer Run Ever," 2022) and Tamara Torres ("Orange Is the New Black") are also credited among the cast, while Ron Perlman ("Hellboy," 2004), Alexander Skarsgard ("Succession"), Sharon Horgan ("Bad Sisters"), Úrsula Corberó ("Money Heist"), Eiza González ("Baby Driver," 2017) and Sarah Paulson ("American Horror Story: Coven") are all credited as guest stars or cameos.

The series is described by "Mr. & Mrs. Smith" (2005) writer Simon Kinberg as "Married... with Children' with guns," but the official Prime Video synopsis provides a much clearer picture of what writers have planned for the series, including budding romance, prime real estate and plenty of situational comedy.

"Two lonely strangers land a job working for a mysterious spy agency that offers them a glorious life of espionage, wealth, world travels and a dream brownstone in Manhattan," the Prime Video synopsis reads. "The catch: new identities in an arranged marriage as Mr. & Mrs. John and Jane Smith. Now hitched, John and Jane navigate a high-risk mission every week while also facing a new relationship milestone. Their complex cover story becomes even more complicated when they catch real feelings for each other."

Approaching the story with heavy firearms and a light sense of humor, "Mr. & Mrs. Smith" asks the question: "What's riskier, espionage or marriage?"

"Rael: The Alien Prophet" (Feb. 7)

Featuring interviews with his followers, critics and Rael himself, this docuseries traces how a UFO-inspired religion spiraled into a controversial cult.

"One Day" (Feb. 8)

Based on the bestseller by David Nicholls, this limited series tells the story of Emma Morley (Ambika Mod) and Dexter Mayhew (Leo Woodall) who, on the night of their graduation on July 15, 1988, speak to each other for the very first time. The next morning, they go their separate ways, but where will they be on this one ordinary day the next year, and the year after that, and every year that follows? Each episode finds Dex and Em, one year older, on this one particular date, as they grow and change, move together and apart, and experience joy and heartbreak.

"Lover, Stalker, Killer" (Feb. 9)

Recently single and ready to get back out there, Dave took a dive into the world of online dating. While getting to know Liz and Cari, two of his most promising connections, what should have been an opportunity for this hard-working, devoted dad to enjoy a second chance at casual romance, turned into a twisted love triangle. Using interviews with those involved, including the law enforcement officers who cracked the case, this documentary deftly assembles the pieces of a mind-bending true tale of harassment, digital deception and murder in America's heartland.

"A Killer Paradox" (Feb. 9)

This new Korean crime comedy follows the story of an ordinary man who happened to become a serial killer and the relentless detective devoted to catching him. Choi Woo-shik, Son Suk-ku, Lee Hee-jun and Won Hee Lee star.

"Players" (Netflix — Feb. 14, Movie Premiere)

New York sportswriter Mack (Gina Rodriguez) has spent years devising successful hook-up "plays" with best friend Adam (Damon Wayans Jr.) and their crew. While it has led to countless one night stands over the years, following their playbook comes with a strict set of ground rules — chief among them: you can't build a relationship from a play. When Mack unexpectedly falls for her latest target, charming war correspondent Nick (Tom Ellis), she begins to rethink the game entirely. As the lines begin to blur, Mack must learn what it takes to play for keeps.

Table for three: Celebrities chow down in all-new series

What would you do if you saw Chrissy Teigen (“Chrissy’s Court”), David Chang (“Ugly Delicious”) and Joel Kim Booster (“Fire Island,” 2022) out for dinner? Hopefully, you’d sit and watch. The brand-new series “Chrissy & Dave Dine Out” airs a new episode Wednesday, Feb. 7, on Freeform. Episodes stream on Hulu the next day.

Following Teigen, Chang and Booster as they book tables at the most popular, must-try restaurants across Los Angeles — sometimes unexpected and unusual eateries — this series allows viewers to watch as the trio joins their famous friends for dinner parties unlike any other, jam-packed with celebrity gossip, Hollywood glamor and delicious, mouth-watering food.

“While David gets his hands dirty in the back of house with the restaurant’s chef, Chrissy and Joel will hold court in the front of house, hosting an always loose, unexpected and entertaining dinner party with undeniably delicious food and great conversation. ... Celebrity guests handpicked by Chrissy, Dave and Joel will bring laughs and unfiltered conversations where no topic is off limits,” said Freeform in a press release.

Teigen’s husband, John Legend (“La La Land,” 2016), will also appear as a celebrity guest, alongside the likes of Regina Hall (“Girls Trip,” 2017) and Simu Liu (“Barbie,” 2023), with each celebrity treated to a taste of a different cuisine.

The series premiere, for example, finds the group dining out at the wildly popular Pizzeria Bianco, where chef Chris Bianco serves up what some call the best pizza in the country. During their meal, they are joined by late-night host and comedian Jimmy Kimmel (“Jimmy Kimmel Live!”) and his wife, writer/producer Molly McNearney (“Murder Mystery,” 2019), who talk marriage, meals and more.

The group’s next outing calls for a couple’s night, as Chrissy and Dave bring their spouses (Dave being married to Grace Chang, “A Missing Piece,” 2019) out for a double date alongside Hollywood power couple Kumail Nanjiani and Emily Gordon (both of “The Big Sick,” 2017). In honor of their “spicy” night out, the six head to La Casita Mexicana, where they enjoy cuisine from the Jalisco region of Mexico.

Billboard magazine reported that “Teigen previously starred in Chrissy’s Court for a total of 30 episodes. ... She also doubles as an executive producer [for] ‘Chrissy and Dave Dine Out.’ Chang is a restaurateur and author who founded the Momofuku restaurant group. Booster is an actor and writer who wrote, produced and starred in Hulu’s 2022 rom-com ‘Fire Island.’”

See what this talented trio tries next, as a new episode of “Chrissy & Dave Dine Out” airs Wednesday, Feb. 7, on Freeform, and Thursday, Feb. 8, on Hulu.

BEST HENRY FONDA MOVIES

Bette Davis, Henry Fonda and Margaret Lindsay star in “Jezebel”

“Jezebel” (1938): Sort of a “Gone With the Wind” without the same exact characters, this well-regarded drama casts Bette Davis as a willful Southern belle who wants to retrieve the man she let get away (Henry Fonda).

“Young Mr. Lincoln” (1939): This John Ford-directed view of the young Abraham Lincoln did much to advance Fonda’s profile.

“The Grapes of Wrath” (1940): A milestone in American movies, director John Ford’s version of the John Steinbeck novel hinges largely on Fonda’s moving portrayal of Tom Joad, the next generation of a Depression-era migrant family.

“The Return of Frank James” (1940): In one of the great Westerns, Fonda stars as slain outlaw Jesse James’s brother, who’s determined to avenge his sibling’s death.

“The Lady Eve” (1941): Director Preston Sturges’ celebrated comedy makes Fonda the target of a former flame’s (Barbara Stanwyck) deception.

“The Ox-Bow Incident” (1942): A potential lynch mob is at the heart of director William A. Wellman’s famous Western, with Fonda as one of the men who wants to see true justice done in the case of a farmer’s possible killers.

“My Darling Clementine” (1946): Stories of the Old West continued to hold appeal for Fonda as he teamed yet again with director John Ford by playing Wyatt Earp, who becomes a lawman in his quest to find those responsible for the death of one of his brothers.

“Fort Apache” (1948): John Ford called the shots for Fonda again — as well as for John

Wayne, Shirley Temple and others — in this signature Western about opposition between the commanding officers at a military outpost.

“Mister Roberts” (1955): Fonda re-created his Broadway performance in the title role as a Navy officer having his own war with his ship’s captain (James Cagney) while stationed in the South Pacific during World War II.

“12 Angry Men” (1957): Also serving as producer, Fonda mounted a classic by turning a television play into a movie vehicle for an outstanding ensemble cast as the members of a deliberating jury in a murder trial.

“The Wrong Man” (1958): Being presented by Turner Classic Movies on Monday, Feb. 5, this fact-inspired, Alfred Hitchcock-directed melodrama casts Fonda as a musician wrongly suspected of being a criminal.

celebrity pipeline BY JAY BOBBIN

Q: Where have I seen the actress who plays Jon Cryer's ex-wife on “Extended Family” before? – Bob Crawford, via e-mail

A: You might know Abigail Spencer from any of a number of previous projects. She had another NBC series earlier, the fanta-

sy-drama “Timeless,” and she had recurring parts on such shows as “Mad Men,” “Suits” and “Grey's Anatomy.” But, she started her career on the daytime serial “All My Children.”

Also a star of the series “Angela's Eyes” and “Rectify,” she has been seen in some movies that have become cable staples, including “This Means War,” “Chasing Mavericks” and “The Haunting in Connecticut 2: Ghosts of Georgia.” Additionally, Spencer is a producer as the co-owner of the firm Innerlight Films, which makes short subjects as well as full-length features.

Q: I enjoyed seeing Jennifer Grant co-host a night of her father Cary's

Abigail Spencer has “Extended” her TV reach

films on Turner Classic Movies recently. Wasn't she on “Beverly Hills, 90210”? – Jill Rainer, Yuma, Ariz.

A: She was. In fact, she had her first major acting role on the show as Celeste Lundy, one of Steve Sanders' (Ian Ziering) romantic conquests ... and on who seemed like she might have a good chance of staying around for a while, given her level-headedness that stayed intact in the face of Steve's impulsive behavior. As it turned out, she

had a run of only eight episodes during the show's 1993-94 season.

Also the daughter of actress Dyan Cannon, Grant went on to guest roles on such other shows as “Friends,” “Walker, Texas Ranger” and “CSI: Crime Scene Investigation,” and she also appeared in movies including “The Evening Star” (the sequel to “Terms of Endearment”) and “Babylon.” She was an executive producer of “Archie,” the recent BritBox limited series that dramatized her father's life.

“Love & Vets” - Season 1 (Available Now)

Whether it's emergency surgery on a dog that's eaten an engagement ring, a middle-of-the-night house call, or playing an owner's recorded good-night message for one of their boarded pets, Dr. Will Draper and Dr. Fran Tyler offer full-service treatment for the domestic pets and owners who call Metro Atlanta home. But running a successful vet practice while juggling the demands of a busy family life — which includes their four teens, four dogs, two cats and grandma down the street — can lead to some hairy situations.

“Red Tails” (Available Now)

A crew of African American pilots in the Tuskegee training program, having faced segregation while kept mostly on the ground during World War II, are called into duty under the guidance of Col. A.J. Bullard (Terrence Howard).

What our customers say about us...

Two of my friends recommended Creeks to me and I'm so glad they did. The estimator was friendly, open and honest and gave several options and the installers were courteous, on time and cleaned up the working area. Plus, the system works great. No one likes to have to buy a new AC in the middle of summer, but their price was fair and the work was good. Highly recommend! - Renay T.

From the moment you reach out to Creeks Air Conditioning and Heating you will recognize their professionalism and commitment to service are superior in the industry. The polite voice answering your call will reassure and work proficiently to accommodate answering your questions while placing your needs as their priority. From sales to installation, the representatives of Creeks Air Conditioning and Heating demonstrate their excellence in every aspect of their profession. I have called upon them on two separate occasions in two different homes (never the same unit) over the past 15 years and will continue to use them if I need HVAC repair or replacement. - DC Junior
